AND
KADAISHWAR HOMEPIN PRIVATE LIMITED
KADAISHWAR HOMEPIN PRIVATE LIMITED
 No.175, KPC Nagar Valluvali, Kangayam Taluk,
 Truppur District, Erode - 638111 PETITIONER

PUBLICATION OF NOTICE
 Notice is hereby taken that an Application was presented to the Honourable National Company Law Tribunal Division Bench, Chennai on 8th day of April, 2020 for confirming the Reduction of the Share Capital of the above company from Rs.1,62,88,798/- to Rs.48,63,798/-. There are no creditors to the company and hence requirement of notices to individual creditors and List of Creditors does not arise. The list prepared by the company is available at the Registered Office of the Company for inspection on all working days during 11 A.M. to 4 P.M. between Monday to Wednesday.

If any creditor of the company has any objection to the application or the details in the List of Creditors, the same may be sent (along with supporting documents) and details about his name and address and the name and address of his Authorised Representative, if any, to the undersigned at the address given below within three months of date of this notice.

If no objection is received within the time stated above, entries in the List of Creditors will, in all the proceedings under the above Petition to reduce the share capital of the company, be treated as correct. It may also be noted that a hearing has been directed to be placed before the tribunal within 15 days after expiry of 90 days of notice on which date, the Tribunal shall hear the Application. In case any creditor intends to attend the hearing he should make a request along with his objections, if any.

Notice To Equity Shareholders For Transfer Of Unclaimed Dividend Amount(s) And/ or Underlying Shares Of The Company To Investor Education And Protection Fund (IEPF) Authority
 NOTICE is hereby given to the shareholders of Man Infraconstruction Limited ("Company") pursuant to provisions of Section 124(6) of the Companies Act, 2013 ("Act") read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time ("the Rules"), the Company is required to transfer all shares in respect of which dividends has remained unpaid or unclaimed for seven consecutive years or more, to the Demat account of the IEPF Authority as established by Central Government.

In compliance with the said Rules, the Company has communicated individually to the concerned shareholders whose shares are liable to be transferred to the Demat account of IEPF Authority, i.e. Interim Dividend for Financial Year 2014-15 and Final Dividend for Financial Year 2013-14 respectively, at their registered addresses, informing that, the shares will be transferred to the Demat Account of the IEPF Authority. The complete details of the concerned shareholders whose dividends are unclaimed for seven consecutive years and whose shares are due for transfer to IEPF on July 30, 2021 and October 23, 2021 respectively are being uploaded on the Company's website www.maninfra.com.

The concerned shareholder is thus requested to claim the unclaimed dividend by sending us a written application along with (a) copy of PAN Card; (b) a cancelled cheque of your registered bank account; and (c) the original un-encashed Dividend warrant or a duly filled in letter of indemnity to Link Intime India Pvt. Ltd., the Registrar and Share Transfer Agent of the Company or to the Company's Registered Office. The said application should reach the Company on or before July 30, 2021 and October 23, 2021 respectively so as to enable us submit your request to the bankers for transfer by NEFT or issuance of Demand Draft.

In case the dividends are not claimed by the concerned shareholder(s) by July 30, 2021 and October 23, 2021 respectively, necessary steps will be initiated by the Company to transfer shares held by the concerned shareholders to IEPF without further notice in the following manner:

In case the shares are held:

- In Physical form - Duplicate share certificate(s) in lieu of original share certificate(s) held by the shareholder, will be issued and transferred in favour of IEPF Authority on completion of necessary formalities. The original share certificate(s) which stand registered in the name of shareholder will be deemed cancelled and non-negotiable.
- In Demat form - Your demat account will be debited for the shares liable for transfer to IEPF Authority. The Company shall transfer the shares by way of corporate action through the Depositories to the IEPF Authority.

The shareholders may note that in the event of transfer of shares and the unclaimed dividends to IEPF, concerned shareholder(s) are entitled to claim the same from IEPF by submitting an online application in the prescribed Web Form IEPF-5, details of the same is available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed by the Company at its Registered/Corporate Office along with requisite documents enumerated in Web Form IEPF-5.

The shareholders may further note that the details of unclaimed dividends and shares of the concerned shareholder(s) uploaded by the Company on its website www.maninfra.com shall be treated as adequate notice in respect of issue of the duplicate share certificate(s) by the Company for the purpose of transfer of shares to IEPF pursuant to the Rules. Please note that no claim shall lie against the Company in respect of unclaimed dividend and equity shares transferred to the IEPF.

For any information/clarification on this matter, please write to or contact the Company at investors@maninfra.com or our RIA M/s. Link Intime India Pvt. Ltd. UNIT: Man Infraconstruction Limited at C-101, 247 Park, LBS Marg, Vikhroli West, Mumbai - 400 083, Tel. No. +91 22 49186270; Fax: +91 22 49186000; e-mail: iepf.shares@linkintime.co.in.

NOTICE is hereby given that pursuant to applicable provisions of the Companies Act, 2013 ("the Act") and the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time ("the IEPF Rules") notified by the Ministry of Corporate Affairs, the shares underlying such dividend for the Financial Year 2013-14 which has remained unpaid / unclaimed for the seven consecutive years are due to be transferred to the IEPF Authority in accordance with the Act and the procedure set out in the IEPF Rules.

The Company is communicating to the concerned shareholders through individual notices regarding the transfer of their underlying shares to the IEPF Authority. The full details of the shareholders including their folio number or DP ID + Client ID, whose shares are to be transferred to IEPF Authority, as aforesaid, are hosted on the website of the Company, which can be accessed using the link www.geelimited.com.

In case of shareholders holding the shares in:

- Physical Form** - The Company would be issuing new share certificate(s) in lieu of original share certificate(s) held by them for the purpose of dematerialisation and transfer of shares to the Demat account of the IEPF Authority and upon such issue, the original share certificate(s) which are registered in the name of original shareholders will stand automatically cancelled and be deemed to be non-negotiable.
- Dematerialised Form** - The Company shall inform the depository by way of corporate action for transfer of shares lying in their Demat account in favour of the Demat account of the IEPF Authority.

No claim shall lie against the Company in respect of unclaimed dividend amount and shares transferred to IEPF pursuant to the IEPF Rules. However, the shareholders may claim both the unclaimed dividend(s) and the share(s) transferred to IEPF (including all benefits accruing on such shares, if any) by making an application to the IEPF Authority in a Form IEPF-5, as prescribed under the IEPF Rules and the same is made available on IEPF website at www.iepf.gov.in.

In case shareholders have any query on the subject matter and the IEPF Rules, they may contact the Company's Registrar and Share Transfer Agent - Link Intime India Private Limited C 101, 247 Park, L- B. NOTICE FOR TRANSFER OF EQUITY SHARES TO INVESTOR EDUCATION AND PROTECTION FUND
 This Notice is published pursuant to the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended ("the Rules") and notified by the Ministry of Corporate Affairs. Pursuant to Section 124(6) of the Companies Act, 2013 ("the Act") read with Rule 6 of the Rules, all shares in respect of which dividends remain unclaimed/unpaid for seven consecutive years or more, shall be transferred by the Company to the Demat Account of IEPF Authority.

Accordingly, all shareholders whose dividends for the financial year 2013-14 (Final) and 2014-15 (1st Interim) onwards have remained unpaid / unclaimed the corresponding shares of the face value of Rs.5/- each in respect of such shareholders therefore will be due to be transferred to Demat Account of IEPF Authority in the following manner:

- In case of shares held in Physical form, by issuance of New Share certificates and thereafter transferring the shares to Demat Account of IEPF Authority. Accordingly, the original share certificate(s), which stand registered in your name would stand automatically cancelled and be deemed non-negotiable.
- In case of shares held in Demat Form, by transfer of shares directly to Demat Account of IEPF Authority through the Depository participants as per Rules.

Adhering to the various requirements set out in the Rules, the company has communicated individually to the concerned shareholders whose shares are liable to be transferred to Demat Account of IEPF Authority at their last recorded address with the Company for taking appropriate action. The full details of such shareholders having unencashed dividends and shares due for transfer has been given on the website of the Company www.rssoftware.com.

Notice is hereby given to all such shareholders to make an application to the Company / Registrar & Share Transfer Agents by 31st July 2021 with a request for claiming the unpaid dividend so that the shares are not transferred to the IEPF. In case the company does not receive any communication from the concerned shareholders by the due date, the Company shall with a view to comply with the requirements set out in the Rules transfer the shares to the Demat Account of IEPF, without any further notice. No claim shall lie against the Company in respect of Unclaimed Dividend/shares transferred to IEPF in compliance with the Rules.

Any person, whose shares and unclaimed dividends have been transferred to the Fund, may claim the shares/dividends from the IEPF Authority by making online application in Form IEPF 5 for which details are available at www.iepf.gov.in and on the website of the Company www.rssoftware.com.

In case the shareholders have any queries on the subject matter and the Rules, they may contact the Company's Registrar & Share Transfer Agents at CB Management Services (P) Ltd, P-22 Bondel Road, Kolkata-700019, West Bengal, Tel. No. 033-4011-6700/16/17/23/28, Fax No. 033-4011-6739, E-mail: rag@cbmsl.com.

Airtel logs ₹759-cr profit

MEGHA MANCHANDA
 New Delhi, 17 May

Bharti Airtel on Monday reported a consolidated net profit of ₹759 crore in the fourth quarter of 2020-21, after provisioning for the adjusted gross revenue (AGR) payment due to the central government.

The telecom operator had posted a loss of ₹5,237 crore in the corresponding period of 2019-20. In the third quarter of FY21, the company had posted a consolidated net profit of ₹854 crore, helped by an one-time gain from the merger of Indus Towers.

"Our mobile revenues grew at 19.1 per cent YoY backed by 13.7 million 4G customer additions. We are seeing strong momentum in our home business with 374,000 net adds. The enterprise segment delivered double-digit growth. Our digital assets continue to scale and we are beginning to see strong traction in monetisation of these assets," said Gopal Vittal, managing director and chief executive officer, India & South Asia.

Operationally, the performance was largely in line with street expectations.

The company's revenues stood at ₹25,747 crore, up 17.6 per cent YoY on a comparable basis and 11.9 per cent on reported basis. According to Bloomberg poll, analysts were expecting India's second-largest telecom operator to post revenue of ₹26,165 crore. Ebitda or earnings before interest, tax, depreciation and amortisation stood at ₹12,583 crore, up 28.9 per cent YoY, leading to an improvement of 647 basis point (bp) YoY and 300 bp sequentially in margins to 48.9 per cent. Analysts at Kotak Institutional Equities (KIE) and Motilal Oswal Securities were estimating the margins at 47 per cent and 47.9 per cent, respectively.

Net profit though fell short of estimate of ₹959 crore.

"During the quarter, the company con-

tinued to recognise its AGR obligations based on the court judgment and guidelines/clarifications received from the Department of Telecommunications in respect of licence fees and spectrum usage charges," Airtel said in the statement.

The India business accounts for over 70 per cent of Airtel's revenue, and within India the Mobile business is about three-fourth of revenue.

In the Mobile India business, Bharti Airtel's average revenue per user (ARPU), the matrix that measures the revenue generated per unit or subscriber, stood at ₹145 down from ₹166 sequentially and ₹154 in the year ago period.

For Jio, its ARPU declined to ₹138.2 in Q4FY21 from ₹151 from the December

quarter. The point to note here is that telecom companies used to pay an IUC (interconnect usage charges) of six paise per minute for calls made from their network to other service providers. The IUC was discontinued from January 1, 2021 on orders of telecom sector regulator and this led to a drop in ARPU.

On a comparable basis, Airtel's ARPU has seen a marginal drop from ₹146 in the December 2020 quarter but higher than ₹135 in the year ago period. Brokerages like KIE, however, had forecasted it at ₹154 per month. The company's India business revenues increased by 17.5 per cent year-on-year to ₹18,338 crore, on a comparable basis and 9.6 per cent on reported basis.

Mobile revenues grew 19.1 per cent YoY on account of improved realisations as well as strong customer addition.

Airtel's 4G data customers increased 31.5 per cent YoY to 179.3 million, an addition of 43 million 4G customers over the last four quarters. Average data usage per data customer was 16.4 gigabytes a month while voice usage was at 1,053 minutes a customer a month.

The company's capex spend for the quarter stood at ₹6,846 crore, including ₹5,141 crore in India business.

The net exceptional gain of ₹440 crore during the quarter ended March 2021 comprises of gain on account of reversal of impairment of intangible assets of ₹643.6 crore, charge on account of re-assessment of the useful life of certain categories of network assets due to technological advancements of ₹116.2 crore and net charge on account of re-assessment of contractual / regulatory levies and taxes of ₹87 crore.

Net debt-Ebitda, an important leverage parameter, has been inching lower in the past two quarters. It was 2.95 in March 2021 quarter, down from 3.03 per cent in the previous quarter and 3.38 per cent in the September 2020 quarter.

Colgate-Palmolive net up 54%

Consumer goods major Colgate-Palmolive India on Monday reported a 54.1 per cent increase in its net profit to ₹314.6 crore in Q4 versus a year ago, helped by a low base and all-round growth across categories. Its net sales were up 20.2 per cent YoY to ₹1,275.01 crore in Q4, versus ₹1,062.35 crore in the year-ago period.

Ram Raghavan, managing director at Colgate-Palmolive (India), said the company continued to witness strong

momentum across segments.

"Our focused approach to executing our strategic initiatives has been instrumental in our continued abilities to sustain our growth momentum versus year ago as well as on a sequential basis," he said. Shares of Colgate-Palmolive India closed trade at ₹1,596 apiece on the BSE on Monday, up 1.84 per cent over the previous day's close.

Gland Pharma Q4 net rises 34%

Gland Pharma on Monday posted a 34 per cent rise in its consolidated net profit to ₹260.4 crore for the fourth quarter ended March 2021, on account of robust sales. The firm had posted a net profit of ₹194.8 crore for the corresponding period of the previous fiscal, Gland Pharma said in a BSE filing.

Consolidated revenue of the firm stood at ₹887.7 crore for the quarter under

consideration. It was ₹635.2 crore in the year-ago period, it added. For the full fiscal ended March this year, the company posted a net profit of ₹997 crore as against ₹772.9 crore in the previous fiscal, Gland Pharma said. Consolidated revenue for the year ended March 2021 was ₹3,462.9 crore.

"Overall the business has performed well and grew steadily during these challenging times," Gland Pharma MD and CEO Srinivas Sadu said. PTI

Pharma majors step up Covid support to affected employees

SOHINI DAS
 Mumbai, 17 May

Pharma firms have come forward to help employees and their dependents during the pandemic. With over 270,000 deaths due to Covid-19 in the country, the pharma players, who are also part of essential services, have stepped up efforts to ensure that families of employees, who succumbed to the disease, are able to have some financial support.

Apart from one-time payments, some of these measures include paying for children's education, arranging hospital and ICU beds, or having round-the-clock helplines to assist employees and their families.

The country's largest drug maker Sun Pharmaceuticals has announced that it will pay an amount equivalent to two years' salary (minimum of ₹25 lakh and maximum of ₹125 crore). A company spokesperson said this benefit will be over and above the existing group term insurance. "The company will also pay the education fees of children of these employees up to their graduation in India," the spokesperson added.

Ahmedabad-based Torrent Pharmaceuticals has taken a slightly different approach - it is paying out ₹25 lakh flat to

A temporary 100-bed Covid care centre has been set up at a government girls college, in Gurugram, on Monday

families of employees who have succumbed to Covid. "Our human resource team immediately visits the employee's family and hands over the cheque," said Jayesh Desai, executive director of the Torrent Group. Desai said having a blanket financial payment amount helps employees in the lower rungs of hierarchy more, for example, the firm's drivers. He added out of the 22,000 employees overall, 21,000 would be drawing salaries below ₹10 lakh per annum.

Torrent has also added ₹5 lakh Covid cover for its employees over and above the group medical insurance policy. Together with the usual payouts, when one adds the Covid benefits, it easily works out to not less than ₹1 crore for Torrent's employees, Desai claimed. "It

is important to ensure that the family sustains and is able to pay its bills. We also give preference to recruiting family members of our deceased employees, but this is also based on merit and is a pre-Covid practice," he added.

Mumbai-headquartered Lupin is paying out an amount equivalent to two times the annual gross salary to the beneficiary of the deceased employee. The company has linked this to grades - for general manager and above, Lupin will pay the annual gross salary in case of death of the employee. It is also bearing 'isolation expenses' for the employee and their family members up to ₹25,000 (which is reimbursable through medical insurance). Any amount over and above it will be borne by Lupin. The

RELIEF AT A GLANCE

- Sun Pharma paying ₹25 lakh-₹1.2 crore in case of death due to Covid
- Torrent Pharma paying ₹25 lakh to all in case of death
- Lupin paying annual gross salary of up to 2 times based on grades
- Zydus Wellbeing Fund being expanded to provide financial assistance

firm is also trying to ensure that those who are sick get access to proper healthcare facilities - it has set up a dedicated task force to secure and provide oxygen and oxygen support hospital beds to all its employees.

Another Ahmedabad-based drug major Cadila Healthcare, which is at the forefront of developing a Covid vaccine, has a Zydus Wellbeing Fund, which extends financial support in case of an employee's death. "We are in the process of widening the ambit of this fund. We have been supporting medical expenses for the employees and their families hospitalised due to Covid. We have also set up a Covid care clinic for our employees and also offer free tele-consultation with doctors across India," a company spokesperson said. PTI

Apollo Hospitals, DRL announce vaccination drive with Sputnik V

Apollo Hospitals and Dr Reddy's Lab (DRL) on Monday said they are collaborating to initiate a Covid vaccination programme with Sputnik V. The first phase of the event will kick in Hyderabad on Monday and in Visakhapatnam on Tuesday at Apollo facilities. The vaccinations would follow the SOPs as recommended by the government including registration on CoWIN, Apollo Hospitals' Joint MD Sangita Reddy said the healthcare major would receive 1 mn doses of the Covid vaccine in one month. PTI

Eli Lilly signs agreement with Natco Pharma for Covid drug

Drug firm Eli Lilly on Monday said it has signed a voluntary licensing agreement with Natco Pharma to further expedite the availability of baricitinib for Covid-19 patients in India.

The company has issued an additional royalty-free, non-exclusive voluntary license to Natco Pharma and the Hyderabad-based company will be collaborating with Eli Lilly to further accelerate and expand the availability of baricitinib in India during this pandemic.

The move will improve the local treatment options available and will positively impact

the lives of people who are currently battling Covid in India, Eli Lilly said in a statement.

Earlier, the company had announced signing of six voluntary license agreements with Cipla, Lupin, Sun Pharmaceuticals Industries, Dr Reddy's, MSN Laboratories and Torrent Pharmaceuticals.

Eli Lilly and Company has received permission for restricted emergency use by the Central Drugs Standard Control Organization (CDSCO), for baricitinib to be used in combination with remdesivir for the treatment of suspected

or laboratory confirmed Covid in hospitalised adults requiring supplemental oxygen, invasive mechanical ventilation, or extracorporeal membrane oxygenation, the statement said.

Meanwhile, Eli Lilly and Company said it continues to engage in active dialogue with the regulatory authorities and government in India to deliver baricitinib donations through the humanitarian aid organization, Direct Relief, and to donate its anti-Covid treatments, including Lilly's neutralising antibodies. PTI

Fewer people travelling to Pune as compared to returnees

Nagpur 17 May: The state government's decision to impose lockdown-like restrictions following increase in Covid-19 cases has led to an exodus of people, who may be migrants and families from other states settled in Pune, the second-largest metropolitan city in Maharashtra. The trend may continue with the government extending the curbs till June 1.

Data obtained from the railways for the two special trains 01039-01040 Gondia-Kolhapur-Gondia Express & 02270-02280 Howrah-Pune-Howrah Express which are operating daily shows that while occupancy in these trains from the Pune direction is 114% and 96% respectively, the same is

59% and 62% for trains going towards Pune. This means that fewer people are travelling to Pune than those returning.

Data from May 1 to 12, shows that only 13,662 passengers travelled from Gondia-Nagpur to Pune-Kolhapur, which is 1,138 per day. On the other hand, 17,429 passengers returned from Pune, which comes to 1,452 passengers per day.

For return journey from Kolhapur, the train occupancy was 96% while occupancy towards Gondia-Kolhapur was just 59%, indicating few passengers are travelling to Pune while those returning are more. The number of passengers (21,965) booking tickets from Pune and cancelling (4,536)

them, perhaps due to non-availability of berths, is also more.

Similar is the situation with 02279 Pune-Howrah Express. During these 12 days, 22,291 passengers travelled from Pune (1,857 per day), while 13,097 travelled to Pune (1,091 per day). The occupancy in the Howrah-Pune train was 62% and Pune-Howrah 114%. In these 12 days, 36,710 passengers booked tickets and 14,419 cancelled as berths may not be available.

'Lack of occupancy is one of the prime reasons to cancel trains. Barring these two trains, all have been cancelled. The rush from the Pune side may be because many workers from West Bengal and Odisha are returning as

lockdown-like restrictions were extended. Secondly, due to educational institutes and the IT sector offering work from home (WFH), there is no rush in trains to Pune," said Central Railway officials.

Official said in case of Kolhapur-Gondia Express, most of the passengers are travelling to roadside stations in Vidarbha, maybe for emergency reasons only. Most people are not travelling due to mandatory RT-PCR reports too. Any decision on restarting trains is taken by the headquarters, they said. However, taking advantage of the limited number of trains, private bus operators from Pune are resorting to manipulation and exploiting passengers. "As the

operators are not getting sufficient numbers, spillover passengers of two buses are also being accommodated in one bus causing inconvenience to others. These operators are also paying fine when countered by authorities," said a section of passengers. "Like the limited number of trains, private buses are also operating with minimum numbers. It is possible some operators may be violating norms but these must be from outside Maharashtra and may be ferrying migrants. Owing to cost-benefit ratio, it is not feasible to run another bus for a few additional passengers," said a section of bus operators from the city who have stopped plying their buses.

Separate ward for Children and Mucormycosis patients

NAGPUR 17 May: A teenage girl and her lover roped in four friends to murder her 62-year-old grandmother last week, so they could lay their hands on Rs 15-20 lakh cash she had got as retirement benefit and some gold.

Police cracked the murder of Vijaya Tiwarkar and nabbed four of the six youths involved in the crime. MIDC police arrested four persons; Nilesh Paunikar, Qadir Khan alias Baba, Farid Zakir Ansari and Mohd Qamre Alam, for stabbing Tiwarkar to death. The masterminds, victim's granddaughter and her boyfriend, are still on the run.

Tiwarkar, who retired as a cook with State Reserve Police Force (SRPF), had got her job on compassionate grounds after the death of her husband. Her granddaughter hatched a plot with her boyfriend to steal Tiwarkar's cash and

The couple roped in their friends to execute it.

City police chief Amitesh Kumar said it was unthinkable a teenager would plan to eliminate her grandmother for money and valuables. "The masterminds will be nabbed soon," he said, adding, "The gang had no prior criminal record."

After reaching Tiwarkar's place shortly before midnight, the granddaughter had kept her boyfriend waiting outside the house. The four others

were waiting somewhere else. After the granddaughter signalled her friends, Paunikar, Ansari and Alam sneaked into the house from the rear side.

The senior citizen happened to see the unidentified persons entering the premises. As she raised an alarm, Paunikar, Ansari and Alam pounced upon her. Tiwarkar tried to fight back, but her granddaughter pinned her down. She held her legs while the three accomplices throttled her with a pillow. As they could not control Tiwarkar, the granddaughter asked Paunikar to slash the victim's neck.

The four had then rummaged through the place for the cash and gold, but it's learnt they could manage to find only some cash and a couple of ornaments before fleeing the place.

City group develops low-cost portable ventilator

Nagpur 17 May: City research group Satej Medinov has developed a comprehensive non-invasive portable ventilator that can serve people especially in developing countries. Named PranaSetu, the ventilator is affordable, easy-to-operate, and has oxygen-use-efficiency features. It is a three-in-one device having continuous positive airway pressure (CPAP), bilevel positive airway pressure (BiPAP), and high flow nasal cannula (HFNC) with integrated humidifier. Priced at 2.9 lakh, the group led by physician and paediatrician Dr Satish Deopujari has also initiated a drive seeking community support to donate these ventilators to hospitals and institutes in need.

Satej is a group doctors, engineers, entrepreneurs born out of the Covid-19 exigency and includes Tejas Kshatriya, Abhay

Santoshwar, Mukund Deshmukh, Ashutosh Gawande, and Latish Agrawal besides Dr Deopujari. It aimed for a user-friendly device that can be put to immediate use during ongoing pandemic, which has seen a huge rise in patients needing respiratory support and a scarcity of skilled hands to treat them. The product is focused on delivering the necessary support to the patient without demanding huge oxygen supply or highly trained doctors. Being non-invasive, it averts complications and the

available manpower can focus on more patients thus improving the outcome. Through PranaSetu, CPAP can be delivered to the patient with vented masks, which is easy to wear. This is the first device to provide CPAP, BiPAP, HFNC with 'OxySave' algorithm and has features and alarms normally available with a high-end ventilator. Dr Deopujari said, "PranaSetu could avert complications among Covid-19 or other patients with respiratory problems while achieving oxygen-use efficiency because of its non-invasive feature. Our tests yielded promising results—it used as much as 60% less oxygen while achieving the same efficiency that any good ventilator will," the veteran pediatrician, who is also an adjunct professor at several regional engineering institutes.

Gadkari's helping hand to Wani

YAVATMAL / NAGPUR POST: Union Minister Nitin Gadkari has made available four naturally oxygen generating plants to four talukas in Yavatmal district. There has been a worrying rise in the number of coronavirus patients in Wani, Maregaon and Zari talukas that come under the Wani Assembly constituency. To provide relief to the corona patients in this area, MLA Sanjeevreddy Bodkurwar met Nitin Gadkari and made demand for oxygen plants.

Responding positively, Gadkari has made available 4 plants in the first phase to the constituency. It may be mentioned here that Bodkurwar has provided Rs 1 crore from his MLA's fund for COVID facilities in the constituency. A dedicated corona hospital with 50 oxygen beds has been set up at the Trauma

Care Centre in Wani. Apart from this, COVID patients are also undergoing treatment at Parsoda in Wani taluka. Out of the 4 new plants two plants are for Wani taluka one each for Zari and Maregaon talukas. Meanwhile, Gadkari has assured that five more oxygen generating plants will be set up. Bodkurwar and Managing Director of daily Tarun Bharat Dhananjay Bapat was prominently present on the occasion.

Day's Covid toll falls to single digit in Nagpur, first time in 58 days

NAGPUR 17 May: The city's Covid toll crashed sharply to 9 on Sunday, the first time it reached single digits after 58 days. Experts attributed this to varied measures over last two months, but most importantly on decline in infectivity of the virus.

The daily cases too dipped to the 71-day low of 726 in the city. The Nagpur district's Covid toll for the day was 30 with cases at 1,133, the lowest in last 68 days. On the other hand, recoveries remained high at 4,519, which brought down active cases to 29,843. The active caseload was over 62,000 at the start of this month, putting tremendous pressure on medical infrastructure and

The sharp plunge in cases was recorded despite no reduction in daily testing, which remained over 15,000.

Probably for the first time, the out of district toll at 11 was higher than the city's. Considering the population size, Nagpur municipal limits has generally seen more deaths than rural and other district patients

succumbing here.

The 16 days of May have recorded 1,053 deaths at an average of 66 casualties per day. This is lower than April's 77 per day, as there were 2,324 deaths. Covid deaths started surging in second wave since March 19 with a sudden spike of 35 fatalities, of which 23 were from the city. Between March 19 and Sunday, the district has recorded 3,987 Covid deaths at an average of 68 per day.

Municipal commissioner Radhakrishnan B told that the drop in fatalities is a reflection of cases coming down for the last 15 days. "Most importantly, we need to be more careful in the days to come."

Ambulance provided from Balwant Wankhade's MLA fund joins fight against Covid-19

Daryapur - Mahesh Bunde: Currently, the prevalence of Corona virus is increasing in Daryapur taluka. Ambulances are needed to rush such patients to the hospital as the affected patients need to be treated in time. Considering the strain on the ambulances currently available in the city, there was a need for a separate ambulance for Daryapur taluka. Recognizing this need, a state-of-the-art ambulance from the local development fund of MLA Balwant Wankhade entered

the service of the Municipal Council. At the hands of its MLA Balwant Wankhade, Dedication took place on 17th May. On this occasion, Municipal Council Chief Geeta Vanjari along with Councillors Aslamkhan Ghanivale, Amol Gaharwal,

Sandeep Gawande, Vikram Singh Parihar, Anil Bagde, Mrs. Kirantai Gawande, Rajkanyata Chavan, Mishikant Pakhare, Chandu Shevane, Prakash Chavan, Babu Khan and others. The office bearers were present.

Ner to get 50 more oxygen bed

NER / PRASHANT UGHADE: Corona infection has been spreading widely in rural areas. Covid testing camps are being held in number of villages and cases have been found at every camp. If the number of patients increases constantly it will be hard for health department to cope with the deteriorated situation. At least 50 more oxygen beds will be provided as soon as possible, said former minister. He gave instructions to the health department in this regard.

77 Covid deaths at home in April, 1,120 in city hospitals

Nagpur 17 May: Seventy-seven Covid patients died in their homes in the city, whereas 1,120 succumbed to the deadly disease in hospitals in April. Doctors say the Covid deaths at homes may be because of not getting hospital beds or late diagnosis or even due to delayed treatment. As per Nagpur Municipal Corporation (NMC) data, 1,233 patients of novel coronavirus died in the city during the peak of the highly contagious and virulent second wave in April. However, the case fatality rate (CFR) was lesser during the period — 1.05% — due to higher number of cases detected —

1,17,846. Of the 1,233 deaths, the civic body could not get details of 36 deceased and hence its calculations were based on analysis of 1,197 deaths. Of these, 77 (6.43%) had died in their homes. No home deaths were reported in the previous months this year. The city had witnessed severe crisis of hospital beds in April due to increased caseload.

Two (0.17%) patients were declared brought dead in April, says the civic body's data. There were three brought dead cases out of total 84 deaths in January and four of total 80 in February when there was no bed shortage. In March, the number of brought dead

increased to 18 (4.04%) of the total 446 Covid deaths.

Earlier, Government Medical College & Hospital (GMCH) and Indira Gandhi Government Medical College & Hospital (IGGMCH) used to keep brought dead in mortuaries, test for Covid-19 and hand over the bodies to the NMC for cremation if the result came positive. Lesser number of brought dead cases in April, however, raise a question as to whether Covid testing protocol was followed or not.

Analysis of the NMC data also reveals that 174 (14.54%) patients had passed away within 48 hours of hospitalization, while 169 (14.12%) patients

had succumbed within 48-72 hours of being admitted. Highest number of deaths was after 72 hours of hospitalization. 775 (64.75%) patients managed to get hospital beds but could not survive despite getting treatment for over 72 hours.

Infectious diseases specialist Dr Nitin Shinde told, "Proper investigation needs to be done as the number of brought dead cases registered was very less in April. Many patients

could not get hospital beds in April owing to much higher number of cases detected. The disease was virulent in the second wave so health of a few patients, irrespective of comorbidities, deteriorated and died despite diagnosis in time and hospitalization in early stage." Convener of Vidarbha Hospitals Association Dr Anup Marar said, "253 patients died at home or brought dead or succumbed within 48 hours of hospitalization."

Cases of breakthrough infection in city doctors but most recovering quickly

Nagpur 17 May: The cases of breakthrough infections — means getting infected by Covid-19 weeks after taking both doses of vaccine — have been seen in many doctors in city. While most of them are getting away with mild symptoms, some of them are getting hospitalized so that they can monitor health parameters for further studies. TOI spoke to some doctors who got Covid-19 after both the doses to know their experiences. "I got symptoms like fever 2 weeks after my second dose," said senior cardiologist Dr Aziz Khan. "Symptoms were mild and stayed just for a few days. I was completely alright within a week," he added. "No vaccine provides 100% immunity. Even after full immunisation, there is a

chance of infection. But, vaccine protects against serious manifestations. Presently, we have vaccine as the only weapon to move towards normalcy. We must take it and move on," said Dr Khan. Doctors, health workers, and hospital staff were vaccinated in first phase of Covid-19 vaccination that started in January. Many doctors and their staff completed second dose in February or March and the two-week period after their vaccination completed in April. As doctors and hospital staff are more exposed to the Covid-19 patients, they have high risk of getting infected. General people may not get so many 'breakthrough infections' if they continue to follow Covid appropriate behaviour.

"I have treated around 75 healthcare workers, many our own staffers and doctors. None of them required oxygen. Just 1-2 days of fever and cough and that's all," said pulmonologist Dr Rajesh Swarnakar. A cardiologist in Khamsi who got admitted in hospital said that vaccination helps but it's not full proof protection. "Although my disease was mild, but discomfort was definitely there. So vaccination doesn't give license to bring down our guard. It gives good protection but we must keep on wearing masks," he said. A study conducted on more than 3,000 health workers by Indraprastha Apollo Hospital, Delhi, revealed that only 0.06% of people need hospitalisation after Covid vaccination.

Woman suspects hubby's hand in son's murder

Buldhana 17 May (District Correspondent): A murder of 19-year-old youth has created a sensation at Khandu Jambhar Nagar area here on Sunday. The deceased's mother suspected his father's hand in the murder. Shegaon Police received information about a dead body found near Garib Nawaz Masjid. The deceased was identified as Salim (19). His mother, Jebunnisa Kasam Sheikh (38), informed the cops that she was earlier staying with her husband along with two sons and four daughters at Shegaon. But the couple had a fight and since then she was staying with her children at her parents'

place in Matargoan. Salim was working as a mason and had been to Sailani village for work. Since his sister Shamim Parvin was getting married on May 17, Salim went to Shegaon in the afternoon on May 15. He called up saying that he would stay there at night. On Sunday morning at 6, Salim's uncle received a call that he (Salim) was lying dead in a store room of Garib Nawaz Masjid. When Jebunnisa Kasam Sheikh reached Shegaon, she found Salim's body lying near her house. His neck had injury marks. She suspected her husband Kasam Sheikh's hand in Salim's death. No offence was registered till the filing of this report.

Chausala youths beautify village crematorium

Amravati 17 May: YOUTHS from Chausala village in Anjangaon Surji tehsil of the district have performed beautification of crematorium at the village through Shramdaan recently. The beautification has been done by adopting the mantra of Gramvikas of Rashtrasant Tukdoji Maharaj on the occasion of Gramjyanti of Rashtrasant Tukdoji Maharaj. Office bearers and members of Gurudev Seva Mandal, Rashtrasant Tukdoji Maharaj Yuvak Vichar Manch and youths from the village have come together and have cleaned the crematorium premises, performed plantation and colour the walls and trees to performed its beautification. Ram Kaimegh, Vijay Chafale.
